Dr. Jarvis Ends Successful Week At Presbyterian Church

Dr. Robert E. L. Jarvis, of Philadelphia, closed a week so successful evangelistic services at the First Presbyterian church last evening when he preached a splendid sermon on the theme "Significance of Life" to a large and appreciative audience.

A spirited song service preceded the sermon and a solo "My Mother's Prayer" was feelingly sung by Lamar Satterfield.

Dr. Jarvis will remain here a week longer and will conduct services each evening next week at the Presbyterian church.

The congregations grow in numbers and interest with each service and great good has already resulted from the powerful lessons taught by the splendid sermon of the evangelist.

PROCLAMATION!

I desire to call attention of our citizens to a provision of the city ordinances requiring all property owners and occupants of property in the city of Fairmont to keep the sidewalks in front of their respective properties clean. The time of the year is now at hand when it will become necessary for us to insist upon a strict observance of this law. Our civic pride will suggest the reasonableness of this provision and I feel sure that any neglect of this will be rather an oversight than otherwise.

It will be understood from this time on that all persons must keep the sidewalks clear of snow in front of their own property. This is particularly true where there is any travel on and over the sidewalks.

ANTHONY BOWEN,
Mayor.

Local Boys In Big Show At Grand Monday

ARCHIE KOON AND EARL FREELAND MAKING GOOD IN MUSICAL PRODUCTION.

WARM WELCOME IS PLANNED BY FRIENDS OF POPULAR ACTORS.

More than ordinary interest is being taken in the coming of the Broadway Musical Comedy Company to the Grand Opera House next Monday and Tuesday for the reason that Earl Freeland and Archie Koon, two local boys are with the company. Friends of the young dancers are whooping it up for a big reception to the lads upon their appearance in their home town and it is likely that large houses will greet the performances.

The company which numbers 20, people has been playing the vaudeville houses of the larger cities all season and it has been receiving fine notices from the papers. Earl Freeland, writing The West Virginian says that the vehicle used, the costuming and scenery are all that can be desired and that the offering will score well here.

Friends of the boys have purchased the first two rows of the orchestra section for the opening night and the same evening Mr. Charles Gettings has bought the boxes on one side of the house for a large party.

Young Freeland has been out with the company for some time, now acting in the capacity of stage manager. Koon joined recently and both playing parts are doing their dancing act. Both like into the business through the Elks minstrels and other local shows and both are very clever boys who will go higher in the profession before many years.

Severe Head Pains Caused By Catarrh Cured By Peruna

I Feel It
a Duty to
Mankind
to Let All
Know of
My Cure.
Peruna
Did It.

Mr. W. H. Chaney, R. F. D. 2, Sutherland, Pittsylvania Co., Va., writes: "For the past twelve months I have been a sufferer from catarrh of the head. Since taking four bottles of your Peruna I feel like a different person altogether. The severe pains in my head have disappeared, and my entire system has been greatly strengthened."

"This is my first testimonial to the curative qualities of any patent medicine. I feel it a duty to mankind to let them know of Peruna. In my estimation it is the greatest medicine on earth for catarrh."

We have thousands of testimonials like Mr. Chaney's. Some of them were cured after years of suffering and disappointment in finding a remedy.

Send for free copy of "Tide of Life." The Peruna Co., Columbus, Ohio.

Those who object to liquid medicines can now procure Peruna Tablets.

Sweden To Make Inquiry About Mines

EXTENSIVE DAMAGE HAS BEEN DONE TO SCANDINAVIAN SHIPPING.

NEWSPAPERS BLAME GERMANY AND SAY INDEMNITY SHOULD BE DEMANDED.

By Associated Press.

STOCKHOLM, via London, Dec. 11.—The foreign office has instituted inquiry into laying of mine in Swedish waters which caused extensive damage to shipping of this country. The particular purpose of inquiry is to ascertain, by what nation the mines were laid and what purpose prompted the action. The laying of the mines has stirred public feeling deeply and the press continues its agitation vigorously.

Some of the newspapers state that the mines were laid by Germany and demand that an indemnity be paid by that country.

WORTHINGTON NEWS.

Mrs. Jas. I. Michael of Fairmont, was visiting her mother, Mrs. Mahala Cochran, here last Wednesday.

Paul K. Tetrick was registered at the Brunswick hotel in Wheeling on Thursday of this week.

Work on the new school building is progressing and it is hoped to have it ready for occupancy early in the new year.

While other incorporated towns are making arrangements for the regular January election, we have heard nothing said in Worthington in regard to that important matter.

Editor H. C. Ogden, of the Wheeling Intelligencer, was in town for a short time on Wednesday shaking hands with many of his boyhood friends.

Mrs. Selmour Norman, who has been seriously ill for a long time, is much worse at this writing and is not expected to survive much longer.

Mrs. Henry King, who underwent a severe surgical operation at the Cook hospital several weeks since, is improving and it is hoped that she will be fully restored to health in the near future.

Mrs. Mariah Jacobs, who has been invalid for the past two years, is confined to her bed.

Miss Madge Brumage, assistant postmistress, is able to be out again after a long siege of typhoid fever.

Mr. T. J. Tetrick, of near here, met with quite a loss the first of the week when his barn, filled with hay and other feed, was entirely destroyed by fire.

The fire was started by two of his small children who were playing about the barn with matches and ignited a bale of hay.

The first paragraph in our scheme of reapportionment in our last letter got somewhat twisted, and in order to make it plain we give that portion again:

The First district would comprise the counties of Hancock, Brooke, Ohio, Marshall, Wetzell, Marion, Tyler and Pleasants, with a population of 202,432, and would give the Republican candidate a majority of 2,261 over his Democratic opponent, based on the vote of 1912, and a majority of 1,073 based on the vote of 1914.

Arch Brumage, who has been working for James I. Michaels in the gas field near Cleveland, Ohio, arrived at home on Thursday night for a few days' visit.

THE YELLOW PERIL.

Japanese Warnings.

The Japanese early sought for the truth, and their earliest knowledge depended on healthy stomach. They eat very little and practice "Jiu-Jitsu"—muscular exercise from youth up. The stomach is the center of the body from which radiates our vitality, strenuousness, our fighting strength. A healthy stomach turns the food we eat into nourishment for the blood stream and the nerves. Dr. Pierce's Golden Medical Discovery refreshes and tones up the stomach walls. Removes the poisonous gases from the system.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the liver, bowels and kidneys.

In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and all skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache and constipation.

Get Dr. Pierce's Golden Medical Discovery today at any medicine dealer; it is a powerful blood purifier, so penetrating that it even gets at the impure deposits in the joints and carries them out of the system.

It is not a secret remedy for its ingredients are printed on the wrapper.

For free advice or free booklet on blood, write Dr. V. M. Pierce, Buffalo, N. Y.

Free. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 31 one-cent stamps to pay expense of wrapping and mailing only.
